

Form #2**OFFICIALS & REGISTRATION FEES**

Every school team must bring at least two volunteers to help run the race. A school with only an individual racer can bring just one volunteer. There must be at least one adult volunteer from each school.

A schedule will be made up and handed out to the volunteers at the Officials Meeting on the day of the race.

Provided there are enough volunteers, volunteers will only work one of the two races.

Tasks are:

- **STARTER** – at starting gate to start racers and communicate with officials at finish line of any complications. Starters could be parents, coaches or other adults associated with your team.
- **ASSISTANT STARTER** – in the start corral managing the athletes and ordering them for the race. Assistant starter could be a parent or other adult associated with your team.
- **RECORDERS** – will sit in the timing hut and record race times. Recorders could be parents, coaches or other adults associated with your team.
- **BIB COLLECTORS** – will wait at the exit of the finish corral after run 2 and collect race bibs from athletes as they finish.
- **GATEKEEPERS** – placed along the race course, responsible monitoring correct passage of racers. Are expected to record bib number, gate number and a diagram for all athletes who DSQ. Gatekeepers could be students, coaches, parents, or any other person associated with your school or team. They must be aware that they will either work the morning race or the afternoon race with the rest of the time to ski/board (provided that sufficient volunteers are available).
