APPENDIX ONE – INCLEMENT WEATHER PROTOCOL

1) The decision to halt or postpone the EOSSAA championship rests with the convenor and umpires involved in the championship.

- i) If the convenor determines that the tournament must be postponed in its entirety on the scheduled date they will notify all involved coaches early enough that coaches can alter travel arrangements if necessary.*

Notification would typically occur by e-mail no later than 7:15 a.m. on the date of the championship.

2) If the EOSSAA championship is halted as a result of inclement weather and games have been started:

- i) Every reasonable effort should be made to return field conditions to a level of playability. Reasonable effort includes the use of rakes, shovels, drying agent [i.e. cat litter] and clay. Pumps or vacuums may be used to remove water from a field, however, their use is considered beyond reasonable effort.*

- ii) If the EOSSAA championship is halted for a period of time that reduces the likelihood of declaring a champion using the schedule outlined in Section 4 some or all of the following steps will be taken to increase the likelihood of*

an EOSSAA representative to OFSAA being determined:

- (a) the third place game will be cancelled*
- (b) the start time of the championship game will be moved up to twenty minutes after the completion of the second championship semi-final*
- (c) the semi-final games will be decreased in length to five innings*
- (d) the teams remaining in the championship will re-convene at the championship site on the rain date*

iii) In the event that an EOSSAA representative to OFSAA cannot be determined using a championship tournament format [i.e. there is persistent inclement weather that precludes the playing of the tournament between the championship date and forty-eight hours prior to the OFSAA tournament, the host field is unavailable as a result of city restrictions, etc.] the following protocol may be used to determine an EOSSAA representative to OFSAA:

- (a) a single game will be played between the league champions of the winners of the previous year's championship and the previous year's runner up at a mutually agreeable site [this site may or may not be the championship site].*
- (b) where a single game cannot be played, to ensure that EOSSAA is represented at the OFSAA baseball tournament, the league champions of the league from which the previous year's champions emerged will represent EOSSAA. In this case no EOSSAA champion will be declared and no medals will be presented.*
